Conference Update

2012 Conference & Exhibition - Te-Papa

The next AGM and Conference will be held at TE-PAPA, on the 14th & 15th of May 2012, in Wellington. We are extremely happy to be hosting the Conference and Exhibition at such an amazing venue - which provides us with an opportunity to expand the exhibition and attract more delegates.

We have added more booths to the exhibition area this year, which offers 25 exhibitors the chance to showcase their products and services. This year our focus is on growing the delegate attendee numbers. We will be putting considerable effort into targeting large end user groups. Our aim is to double the numbers of quality end user delegates which you will benefit from!

We trust that you will choose to continue to support this event. There are two Conference Packages to choose from:

\$70- This allows you to attend the two day conference and exhibition as well as catering for two days.

\$125 - This allows you to attend the two day conference (including all catering) as well as attending the Gala Dinner on the Monday Night.
