

Invitation to Industry Sponsorship and Exhibition

**Radio Frequency Users Association of New Zealand Annual Conference
TE PAPA, WELLINGTON, 14th & 15th May 2012**

Meet . Learn . Network

Who are RFUANZ

The Radio Frequency Users Association of New Zealand (RFUANZ) is a non-profit organisation whose membership ranges from Local Government Authorities, Transport Operators, Consultancy, Radio Dealers, Radio Network Operators to private individuals.

The prime function of RFUANZ is to:

- **PROTECT**
The rights of organisations and individuals who require access to the Radio/Wireless Spectrum to maintain and support their business.
- **PROMOTE**
The Wireless Spectrum is a finite resource and under constantly increasing pressure from competing interests.
- **PRESERVE**
Provides a collective voice that is recognised in Government circles, for member organizations and users throughout New Zealand, that depends on equitable and fair access to the radio/wireless spectrum.

This conference has become a “must attend” event for

- Any organisation who uses/ or operates the radio spectrum
- Any supplier selling into the radio communications industry
- All dealers & users of two way radio services.

It is for these reasons that RFUANZ has become a vital addition to the calendar of those that take part.

Proposed Timetable for 2012

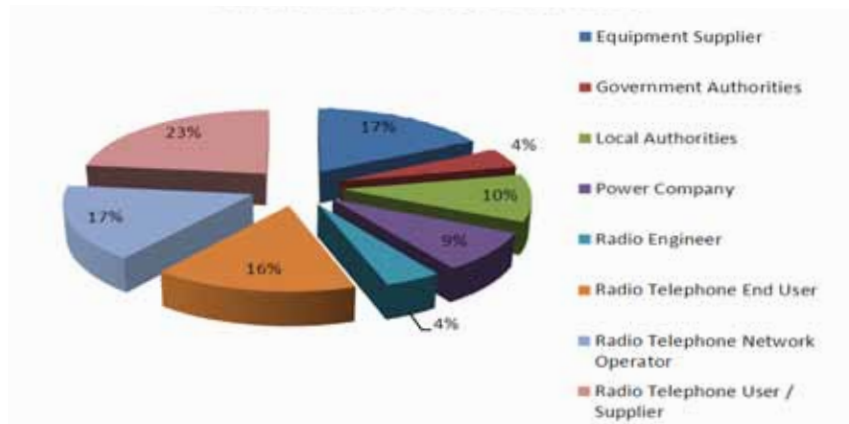

The following provides an outline of how the two-day Conference will take place. Please note that this may change.

Day One: AGM and visit from the Ministry of Economic Development

Day Two: Trade Show Exhibition, as well as Technical and Business stream presentations.

Who Attends

The graph below shows the different sectors within the two-way radio communication industry that attended the 2011 Conference and Exhibition

Venue

The RFUANZ Conference and Exhibition will be held at **Te-Papa in Wellington on the 14th and 15th of May 2012**. Te-Papa is located on 55 Cable Street Wellington - On the water front.

Why Exhibit or Sponsor?

If you run a business that sells products or services in the two-way radio industry this is a must attend event. It is the largest event of its kind in New Zealand and allows you to promote your company on a national stage. You have the opportunity to expose yourself to the largest captive audience of its type in New Zealand - appropriate and specific to your business.

All key manufacturers are now exhibiting and/or sponsoring this event. If you are not at this event you will be truly limiting your brand presence within the industry.

This year, our key objective is to attract more end user organisations to the event. We will make a significant effort to attract this market which will include Local Authorities and Councils, as well as Power Companies and many more.

There have been huge technological developments within the industry. The seminars will help you understand the major changes we face now and in the future and how they can impact your business. If you're not keeping up with what the competition is doing and their products and services, you will be left behind. RFUANZ allows your company to demonstrate itself on a national stage and generate positive brand exposure.

Comments from previous Exhibitors and Attendees

"Excellent presentation by Ministry of Economic Development Staff - one of the real highlights of the conference! Worthwhile, and I will recommend Transpower attend again next year".

John Wilson - Communications Engineer - Transpower New Zealand Ltd

"It was evident to me that the RFUANZ has evolved into an effective and recognised force in the corridor of MOC and even Parliament".

Bob Greer - Managing Director - Beech Communications Limited

"A well co-ordinated exhibition with good exposure to influential industry users".

Gary Ertel - Data Over Radio Limited

"I can say that the conference was very well organised and I was blown away by the level of interest that Powerbox received. I have the event circled in my 2012 calendar and can say that Powerbox Pacific would like to exhibit at next year's conference".

Alistair Jeffcoat - General Manager - Powerbox Pacific

"As an exhibitor this is a great event for us and the most relevant place for us to be able to display RF equipment. We will definitely continue to support the event and it was great to see the trade area getting bigger and bigger".

Lex Grubner - Managing Director - RF Test Solutions

Your Opportunity

The Radio Frequency Users Association of New Zealand (RFUANZ) conference and exhibition takes place on the 14th & 15th of May 2012. Since 1990, the event has helped to bring industry users, end users, dealers, manufacturers, government and other interest groups together with the aim of promoting efficient use of the radio spectrum.

As New Zealand's only radio conference and exhibition, it will provide your organisation with a unique platform to access a highly targeted and influential audience, throughout the duration of the conference.

The New Zealand Industry has not had an exhibition of this scale and through the growth and professionalism of the conference over the past few years, and with future improvements this year, this is a grand opportunity to promote your company.

Complete and return your booking form now to avoid disappointment.

Sponsorship Packages

Sponsorship opportunities for the RFUANZ Conference 2012 offer a unique and highly valuable opportunity to target key stakeholders, customers and users in New Zealand and abroad.

As a sponsor we will help you invite delegates of your choice to the event to ensure maximum exposure and appropriate attendance. Sponsors are able to optionally host a stand at the exhibition, with a preferred choice of position (subject to availability)** and secure a speaker spot in agreement with the event organisers. Sponsors logos will be included in print and publicity material where the sponsors are credited. The printed materials will include your company logo on all publicity materials as follows:

- RFUANZ event web page with links
- Print advertising
- Electronic invitation
- Delegate and confirmation emails
- Print release
- Sponsor logos will be included in the holding PowerPoint slide produced and displayed on screen between seminars.

Sponsorship is limited to 1x Principal, 5 x Support Sponsors, 1 x Gala Dinner Sponsor and 1 x Pre Dinner Drinks Sponsor

Sponsorship will not be allocated by first in first served. All sponsorship applications must be submitted by **9am on Monday the 17th of October, 2011**. If we are over subscribed for sponsorship opportunities we will do an independent draw. If we have a large number of applicants to sponsor the event, we may add sponsorship categories to cater to the demand. These sponsorship opportunities will not conflict or undermine existing sponsors.

We want to organize sponsorship early so we can ensure maximum exposure for our sponsors. Creating a deadline for sponsorship applications will allow seven (7) months of exposure for our sponsors who are successful.

**Note that the Principal Sponsor will receive preferred placement of logos on publicity materials.*

**Stand cost is not included in the support sponsorship package.*

Principal Sponsorship Package - one available

The Principal Sponsor package is valued at \$7,000 + GST per event.
